Wedding Planning + Coordination

PRE EVENT:

- As soon as your deposit is submitted and contract is signed we will jump right into full planning mode!
- We will prepare online spreadsheets, calendars and templates customized to your event to help organize all the countless details.
- In-person meetings are available and encouraged at a minimum of at least one per month. We love sitting down with our clients and catching up just to make sure we are on the same page and to go over the event in whole with you on a frequent basis. Phone, email & text is available unlimited to our clients & vendors.
- Vendor Research, we are here to guide and assist you in booking the most amazing vendors for your big day that not only fit your budget but are a perfect match all around. We happily can review contracts, proposals and gather quotes for you as well. Use us as a buffer & resource when vendor-shopping.
- Comprehensive Design & Decor Planning, ensuring the overall look and aesthetic of your event is executed is of major priority to us. During our in-person meetings we will have you create mock up designs with our entire inventory at your disposal. Playing with beautiful rental pieces is a blast and the best way to find the perfect combination for your style!
- Rental Management, because we own and source rentals from our inventory the sky is the limit with possibilities. We will offer recommendations and assist you in incorporating the best pieces to fit your events needs.
- Ceremony Plan Development, we will go over in great detail exactly how you envision your Wedding ceremony. We will assist in planning the logistics, walking order or processional, bridal party and any other items you wish to incorporate into the ceremony.
- Transportation, Lodging, we can assist in setting up room blocks at local hotels, coordinating transportation etc.
- Point of contact for ALL vendors, as your Wedding Planner/Coordinator combo we will be the main point of contact with your vendors. This will alleviate stress from you having to communicate with so many individuals. We will answer questions as first point of contact and update you on anything they might need.
- Rehearsal, we will handle your ceremony rehearsal with your bridal party. We will ensure you are all comfortable on when and where to walk etc.
- Overall questions & advice, having us on your side guarantees you always have someone to bounce ideas on, ask questions, consult and just talk things through with!

Wedding Planning + Coordination

DAY OF EVENT:

- Manage Timeline throughout event to keep event flowing and on schedule as best as possible. Checking in with client and vendors during the event should any changes need to be made.
- Supervising installation of decor & rentals, our trained staff will execute our design and decor plan to our specifications. Your day-of-coordinator will be there to make sure all the details are in place.
- Checking vendors in, as they arrive for load in, making sure they have everything they need. Assisting them in whatever way they require.
- Bridal party support, during the day we will frequently check in with your bridal party and key family members to assist them with whatever they might require.
- Ceremony direction, we will handle the ceremony processional, walking order and details during ceremony.
- Dinner service, from releasing of tables, to ensuring the caterer is ready to serve on time, we work hand in hand with everyone to see to it that dinner service executed smoothly. Guests get fed efficiently and we can stick to our schedule.
- Gifts and card, we will ask you to designate a location, point person, and vehicle in which you would like your personal items, gifts and cards placed at the conclusion of event. This also includes left over food and alcohol.
- Manage and oversee the breakdown and cleaning portion of the event, at the conclusion our trained staff will efficiently remove all rentals, décor, and items from venue. We also handle the cleaning so that you receive your deposit back from venue. This means you and your guests can leave at the conclusion without worrying about the task of clean up.
- Overall managing of any unforeseen challenges, changes or any thing that may arise during the event.
- Most seasoned Wedding Planner's charge upwards of 6-10k for this service, because we bundle it with our decor, design and staffing we have the ability to offer it at a competitive and fair cost to our clients.
